AFSRA 2019

Welcome Message

The African Society of Regional Anesthesia is pleased to invite you to the 7th annual conference that will be held at Grand Nile Tower, Cairo 31st Jan – 1st Feb, 2019.

A dynamic two days will focus on, in depth reviews and analyses of recent advances and state of the art regional anesthesia / analgesia.

In addition to the didactic program, a hands on workshops on ultrasound guided regional blocks (on live volunteers), will be carried out on Friday 1st Feb 2019 with a limited number of attendees on each ultrasound machine giving you a better opportunity in practicing by yourself the most recent regional blocks.

Who should attend Anesthesiologists, pain management practitioners and ER physicians who seek to learn the latest development in regional anesthesia and pain therapy .
